RETURN ON INVESTMENT

This rate of return plan for **reducing your tuition** and finding free revenue for PJPII is simple and easy!

IS IT WORTH IT?

YES! It is **free money** for **your tuition** and **for PJPII!** On average, our participants earn over 2.2% back on groceries and anywhere from 3-6% average back on everything else. In addition, an average of 2-5% goes to the school for your child's education. If you or your spouse travel or take big vacations, the rates of returns are even higher.

SHOW ME THE MONEY!

Let's take a closer look at two scenarios: Keep in mind, several times a year those percentages are a higher rate of return due to ThankSCRIPing days, holiday and year round promotions!

<p>\$500 Grocery Gift Cards @ 2% Return: \$10.00 off your tuition per month!</p>	<p>\$100 Home Improvement @ 2% Return: \$4 off your tuition per month!</p>
<p>\$100 Shopping on-line Gift Certificates @ 2% Return: \$4.00 off your tuition per month!</p>	<p>\$100 Mall Shopping @ 5% Return: \$5 off your tuition per month!</p>
<p>\$100 Specialty Item Gift Cards up to 8% Return: \$8.00 off your tuition per month!</p>	<p>\$100 Your Children's Shopping @ 5% Return: \$5 off your tuition per month!</p>

At first glance it appears like small amounts, however one month of groceries, a little home improvement, shopping and eating out could easily add up to \$50 off your tuition that month! If you use gift cards monthly – **that's \$600 a year!**

TRAVEL & VACATION: Travelers spend a lot of money on airfare, hotels, rental cars, dining out or eating alone. Most of us plan a year ahead for those big vacations to Disney, a cruise line or a resort and spa package get-away. Watch for those special dates that happen many times throughout the year to receive the highest return possible.

 <p>\$375 in Car Rental Gift Certificates @ 4% Return: \$15 off your tuition per month!</p>	 <p>\$325 Fine Dining @ 6% Return: \$19.50 off your tuition per month!</p>
 <p>\$1,000 Hotel Gift Card @ 4% Return: \$40.00 off your tuition per month!</p>	 <p>\$200 Casual Dining for yourself @ 5% Return: \$10 off your tuition per month!</p>

I'M NOT USING A GIFT CARD WHILE WITH A CLIENT OR MY BOSS!

We are right there with you!!

MyScripWallet: Your gift card is in the form of a barcode on your screen, it is just like you were paying with your mobile credit card. Also a lot of restaurants are going to the pay at your table feature which scans your mobile devices as well.

With all of that said – **that is \$1,000 a year** just for traveling.

Imagine if you are able to combine from both of those scenarios!

P.S.: BOOKS, MOVIE TICKETS, GAS, RESTURANTS, SPAS, DISNEY and the list goes to over 700 retailers which are available 365/24/7 . . .
